COLOUR RANGE*

Ice Snow

Silver Pearl

Basalt Black

Night Sky

Due to natural resources used in production there are slight colour variations between batches. Pool copings can differ in appearance to the body tile and mixing 2 different sizes can end up with slight variations. Colour swatches are a guide only. Samples you receive may also be slightly different to what is received. Stoneware pavers should be laid with approximately 2-3mm gap to avoid chipping. This product has a V2 Variance rating. Please refer to the charts below.
